

191—4.12(17A) Contents, style, and form of rule.

4.12(1) Each rule adopted by the insurance division shall contain the text of the rule and:

- a.* The date the division adopted the rule;
- b.* A brief explanation of the principal reasons for the rule-making action;
- c.* A reference to all rules repealed, amended, or suspended by the rule;
- d.* A reference to the specific statutory or other authority authorizing adoption of the rule;
- e.* Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f.* A brief explanation of the principal reasons for failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if such reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the insurance division exercises discretion to include such reasons; and
- g.* The effective date of the rule.

4.12(2) The insurance division may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the division finds that the incorporation of its text in the proposed or adopted rule would be unduly cumbersome, expensive, or otherwise burdensome. The reference in the proposed or adopted rule shall fully and precisely identify the incorporated matter by location, title, citation, date, and edition, if any, and shall briefly indicate the precise subject and the general contents of the incorporated matter. The division may incorporate such matter by reference in a proposed or adopted rule only if the division makes copies of it readily available to the public. The proposed or adopted rule shall state how and where copies of the incorporated matter may be obtained at a reasonable cost from the division. The division shall retain permanently a copy of any materials incorporated by reference in a rule.

If the division adopts standards by reference to another publication, it shall provide a copy of the publication containing the standards to the administrative rules coordinator for deposit in the state law library and may make the standards available electronically.

4.12(3) When the administrative code editor omits the full text of a proposed or adopted rule, the insurance division shall prepare and submit to the administrative code editor a summary statement describing the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules, and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the division. The division shall provide a copy of that full text for a reasonable charge upon request, shall make copies of the full text available for review at the state law library, and may make the standards available electronically.

4.12(4) In preparing its rules, the division shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.
